Business Management Statement

[Incorporating HSEQ Policy Statements]

It is the policy of McDonald Scaffolding (Services) Ltd to achieve the greatest attainable level of customer satisfaction while ensuring that the very highest standards of health & safety and environmental management are maintained.

To this end, senior management commit McDonald Scaffolding to:

1. Preventing injury and ill health to our employees and all those effected by our activities through the effective identification, assessment and mitigation of hazards,
2. Preventing pollution through the implementation of effective management controls,
3. Minimising our carbon footprint through the establishment of programmes to reduce water & energy consumption and waste,
4. Complying with all Health & Safety and Environmental legislation as minimum standards,
5. Continually improving our performance in the fields of Health and Safety, Environmental and Quality performance through setting HSEQ objectives and improvement targets. By using management programmes to implement the improvements and regularly monitoring progress towards meeting the targets.
6. Ensuring our staff are fully competent to carry out their duties safely, effectively and in the most environmentally considerate manner.
7. To facilitate meeting these commitments McDonald Scaffolding has developed the business management system to meet the requirements of the international standards ISO9001, ISO14001 & OHSAS18001.

This statement will is reviewed annually to ensure it meets the needs of the business, our customers and stakeholders.

M. McDonald

Managing Director

Date: 6th January 2017
