

Business Management Statement

[Incorporating HSEQ Policy Statements]

It is the policy of McDonald Scaffolding (Services) Ltd to eliminate harm and reduce business risk by proactively managing our business systems and procedures, while achieving the greatest attainable level of customer satisfaction by supplying cost effective services and products and ensuring that the very highest standards of health & safety and environmental management are maintained.

To this end, senior management recognise their responsibility and commit McDonald Scaffolding to:

1. Preventing injury and ill health to our employees and all those affected by our activities through the effective identification, assessment and mitigation of risks & hazards,
2. Preventing pollution through the implementation of effective management controls,
3. Minimising our carbon footprint through the establishment of programmes to reduce energy consumption and waste,
4. Complying with all Health & Safety and Environmental legislation as minimum standards,
5. Continually improving our performance in the fields of Health and Safety, Environmental and Quality performance through setting HSEQ objectives and improvement targets. By using management programmes to implement the improvements and regularly monitoring progress towards meeting the targets.
6. Everyone within the company has a responsibility for HSEQ, so we ensure our staff is fully competent to carry out their duties safely, effectively and in the most environmentally considerate manner.
7. The organisation will collect and use personal data to ensure the health, safety and welfare of its staff and others.
8. To facilitate meeting these commitments McDonald Scaffolding has developed the business management system to meet the requirements of the international standards ISO9001, ISO14001 & OHSAS18001.
9. Invest in our staff by providing sufficient and suitable information, supervision and training to undertake work competently and safely and in the most environmentally considerate manner.

This statement will be reviewed annually to ensure it meets the needs of the business, our customers and stakeholders.

M. McDonald

Managing Director
